Category	■ FAQ □ SOP	Related OS	Microsoft Windows7		
Abstract	How to Insert and Play an AVI video clip in WebAccess ViewDAQ				
Keyword	WebAccess, Video Display, V	/iewDAQ			
Related Product	N/A				

Problem Description:

Customer requests to play an AVI file in ViewDAQ and this function can be achieved by using Video Display function.

■ <u>Solution</u>:

1. Copy an avi file (ex. Water.avi) to c:\inetpub\wwwroot

 Save DrawDAQ and download The following is result in ViewDAQ.

Note: playing mp4 has better performance than avi file
