

## Advantech AE Technical Share Document

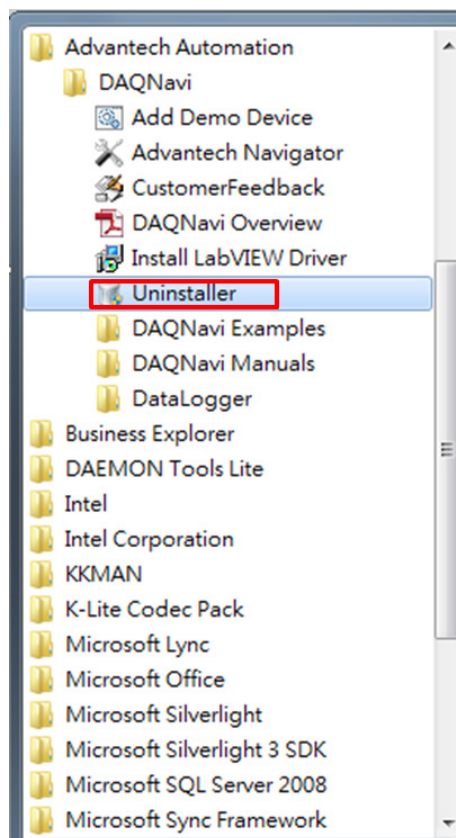

Date	2015 / 04 / 07	SR#	1-2031199724
Category	■ FAQ □ SOP	Related OS	Microsoft Windows7/8/XP
Abstract	DAQNavi can not be removed completely after clicking the Uninstaller bottom in start menu.		
Keyword	DAQNavi, uninstall		
Related Product	DAQNavi		

### ■ Problem Description:

DAQNavi can not be removed completely after clicking the Uninstaller bottom in start menu.

### ■ Brief Solution - Step by Step:

1. Start menu-> Advantech Automation->DAQNavi-> Left click the Uninstaller

**Fig 1:** Left click the Uninstaller

2. Execute unins000.exe at the folder where DAQNav is installed  
(Default C:\Advantech\DAQNavi\Uninstaller\unins000.exe)
